Sufficient samples of the product have been tested and found to be in conformity with

Test Standards	FCC Part 15
	: This device may not cause harmful interference and This device must accept any interference received.

The certification holder above has the right to fix FCC marking on the products complying with the specified standards.

The certificate is based on a single evaluation of one sample of above-mentioned products. It does not imply an assessment of the whole production and does not permit the use of the test laboratory logo.
